

## Calling all Incoming Pinewood Kindergarten Students and Families!

### It's Kindergarten Round-Up Time!

Thank you for visiting our website to learn about our school and to obtain information about registration and the documents required for enrollment.

Please click on the link below to obtain information about the registration process and the documents that you need to complete and submit.

**[BCPS Kindergarten Registration Packet  
2024-2025](#)**

We have two Kindergarten Round-up dates scheduled for you to come into Pinewood to register your child. Prior to coming on one of the two round-up dates, please complete all registration documents and gather the other documents needed for enrollment. Bring all the documents with you to school on the date and time you selected. You do not have to bring your child with you, but many parents/guardians do. We conduct each round-up in our library/media room, so it is a good opportunity to come in to the school building and get a “feel” for our school (: Our office staff team and school nurse will check all documents and answer any questions you or your child may have. Our AMAZING PTA will have parent volunteers here to welcome you and provide an overview of some of the exciting events and programs that they sponsor, organize, and support for our students, staff, and school community.

Click on one of the two “Sign-Up Genius” links below to select the time you would like to schedule for registration.

Kindergarten Roundup # 1  
Date: Wednesday, March 20, 2024
